Final Report Topic 5 - 5.7

## Introduction

- This chapter provides the context of your work in terms of:
  - The system developed
  - Justification for the method or framework used
  - The solution that emerged
  - The main aims and objectives of the project
  - A short overview of the remaining chapters

### Implementation

- This chapter describes YOUR approach to implementing YOUR system in terms of:
  - Choice of programming language
  - System cutover from the development architecture to the implementation architecture
  - Data migration from the development architecture and/or existing systems to the implementation architecture
  - Training
- This chapter must have an introduction and conclusion.

---

---

---

---

---

---

---

### Conclusion

- This chapter is a reflective evaluation of YOUR project in terms of:
  - Whether or not you achieved your aims and objectives
  - What problems occurred and how YOU overcame them
  - Things that YOU may do differently in any further projects that YOU undertake and YOUR reasons for doing so
- In addition, you should comment on any envisaged future development of the system.

Final Report Topic 5 - 5.13

## References

- This is the last chapter in your report and should come after the conclusion and before the appendices.
- This chapter contains a list of references.
  - All references you cite within the body of your report should be fully referenced here using the Harvard Style.
  - No reference should appear here unless it has been cited in the main body of the report.

Final Report Topic 5 - 5.14

## Appropriate Appendices

- Appendices may include any supporting material to which a reader might wish to refer, but which is not essential for the main body of the report. This might include:
  - Requirements Catalogue
  - Use Case Descriptions
  - Detailed Class Definitions
  - Test Scripts
  - User Guide
  - System Code

Final Report Topic 5 - 5.15

## Assessment

- Your mark for the project will be made up of marks for the following areas:
  - The Project Proposal (10%)
  - The Project Report (70%)
  - The Project Demonstration (10%)
  - The Project Presentation (10%)
- Details of the assessment criteria are available in your Student Guide.

Final Report Topic 5 - 5.16

## Important Points

- You must use the structure presented in this lecture for YOUR report.
- Failure to use the structure will result in lost marks.
- You must make yourself familiar with the Harvard Style of referencing.
- If your report does not contain a list of references that are cited in the main body of the report, you will lose marks.
